TRADITIONAL CHINESE MEDICINE (TCM)

Whole Horse Antioxidant Omega Mix™

A unique blend of *Huo ma ren*, (Chinese hemp seed), Flax seed, Psyllium seed and *Gou qi zi* (Lycium) Contains: Essential Fatty Acids (EFA's - Omega 3 and Omega 6) Vitamins: C, E and B's, Beta-carotene trace minerals, twenty amino acids and very digestible protein.

Antioxidants and Omegas (Essential Fatty Acids) are associated with the following:

- Free radical inhibitor
- Immunity support
- Anti-inflammatory
- Hair and hoof condition
- Joint mobility
- Insulin resistance
- Cushing's support
- Lamina/founder support
- Support for hard keepers

Digest Aid™

based on a classic formula used to improve digestion.

Indications:

- Chronic colic
- Low-grade diarrhea
- Helps older horses utilize feed
- *May be mixed with other formulas to enhance absorption*

Calm Shen™

Modern horses live stressful lives. Competition, travel, confinement in small living spaces, and injury all contribute to stress. Shen is synonymous with "Sprit" or "mental functioning" in Chinese. Whole Horse Calm Shen is formulated for the nervous, anxious horse that is easily startled, jumpy or unable to concentrate on work or rider.

Indications:

- Anxiety, nervousness or fear
- Inability to focus on work or rider
- Poor performance
- Jumpiness or easily startled
- Confinement due to injury

Easy Mover™

for the horse with arthritic joint pain and stiffness but with good health and spirit overall.

Indications:

- Arthritis
- Chronic joint pain and stiffness
- Lumbar stiffness
- Symptoms may worsen in cold weather
